STATEMENT OF REPRESENTATIVE STEVE DRIEHAUS ON THE PRESIDENT'S PROPOSED SPENDING FREEZE

WASHINGTON, DC—Representative Steve Driehaus today issued the following statement regarding the freeze in non-security discretionary spending proposed by the President:

"The President's proposed spending freeze is the type of policy I have long advocated to help us continue on the path toward fiscal responsibility. Families across America are making tough choices to make ends meet during this recession; the federal government should be held to the same standard. It is critical that we reduce the deficit and bring more accountability to the way we spend taxpayer dollars. I have consistently pushed for policies that would put our fiscal house back in order, and the President's plan demands Congress's immediate review and

consideration."

Representative Driehaus has tirelessly supported policies to reduce the deficit and restore fiscal discipline in Washington. He voted against the FY 2009 Omnibus Appropriations Act and the FY 2010 Consolidated Appropriations Act, citing unsustainable and unnecessary increases in government spending over the long term. Additionally, he cosponsored legislation to impose Pay-As-You-Go (PAYGO) restrictions on new legislation and supported [legislation to stop Congressional pay raises](#).

due to insufficient safeguards for taxpayer dollars, and called on the administration to use repaid TARP funds to reduce the deficit.
